

**Welcome to the Fairport Track and Field 2019 Spring Season!**

With a full roster and packed schedule this year, we will have a great season -and a great need for financial support for the Track and Field Booster Club. Our expenses cover a range of items including Website domain fees, Senior Recognition, Banquet, Awards, Plaques and Certificates to name a few. We need the participation of ALL Track and Field families to support our athletes 100% throughout the season and we are asking for 100% participation in the Booster Club this year.
